

# NORM ENGINEERING

## 4-in-1 BUCKETS

### Suitable for:

- » Construction work
- » Asphalt contractors
- » General clean up
- » Landscaping
- » Agriculture

**Australian manufactured**

The 4-in-1 bucket consists of a dozer to clear & backfill, serrated edges that allow stronger grip when clamping rocks and logs, a blade to level, and a bucket ideal for lifting and carrying loose dirt and stone.

- » Available in widths from 915mm - 2400mm
- » Serrated edges for stronger grip
- » Wide opening jaws for easy dumping
- » Reversible bolt on edges to extend life of the bucket
- » Extra heavy duty flat floor for additional strength
- » Includes hoses & standard couplings
- » Tie down points for safe transporting
