

NORM ENGINEERING

GRASS SLASHER 4ft, 5ft & 6ft

Suited to:

- » Mini Loaders
- » Skid Steers
- » Track Loaders
- » Backhoes
- » Telehandlers
- » Tractors

Suitable for:

- » Council work
- » Landscaping
- » Agriculture
- » Groundsman

**Optional - Dual mount
to suit track loader & excavator**

The Norm Engineering Grass Slasher is designed with a **floating frame** and **adjustable side skids**. The floating frame allows the slasher to follow undulating terrain and the adjustable side skids determine the length of the grass cut.

- » Adjustable and replaceable heavy duty side skids - 5ft & 6ft
- » Maximum cutting torque and tip speed, by using a selection of different motor sizes and gearbox ratios
- » Hydraulic motor protection ensured through spring clutch
- » Chains provide protection - front & rear
- » Pick up is designed to allow easy entry & exit on airconditioned machines
- » Forklift lifting points
- » **Optional** - jockey wheel

- » 4ft Slasher – Single Head - 3 blades
- » 5ft Slasher - Single Head - 2 blades
- » 6ft Slasher - Single Head – 2 blades
